Problem

Dear DAO and Guild Owners.
Are you having trouble **recruiting and paying fees** for **anonymous** community moderators with knowledge of cutting-edge areas such as Web3 and Metaverse **across borders and their mother tongue**?

Recruiting in the Web3.0 world

Anonymous   Multilingual   Specialty
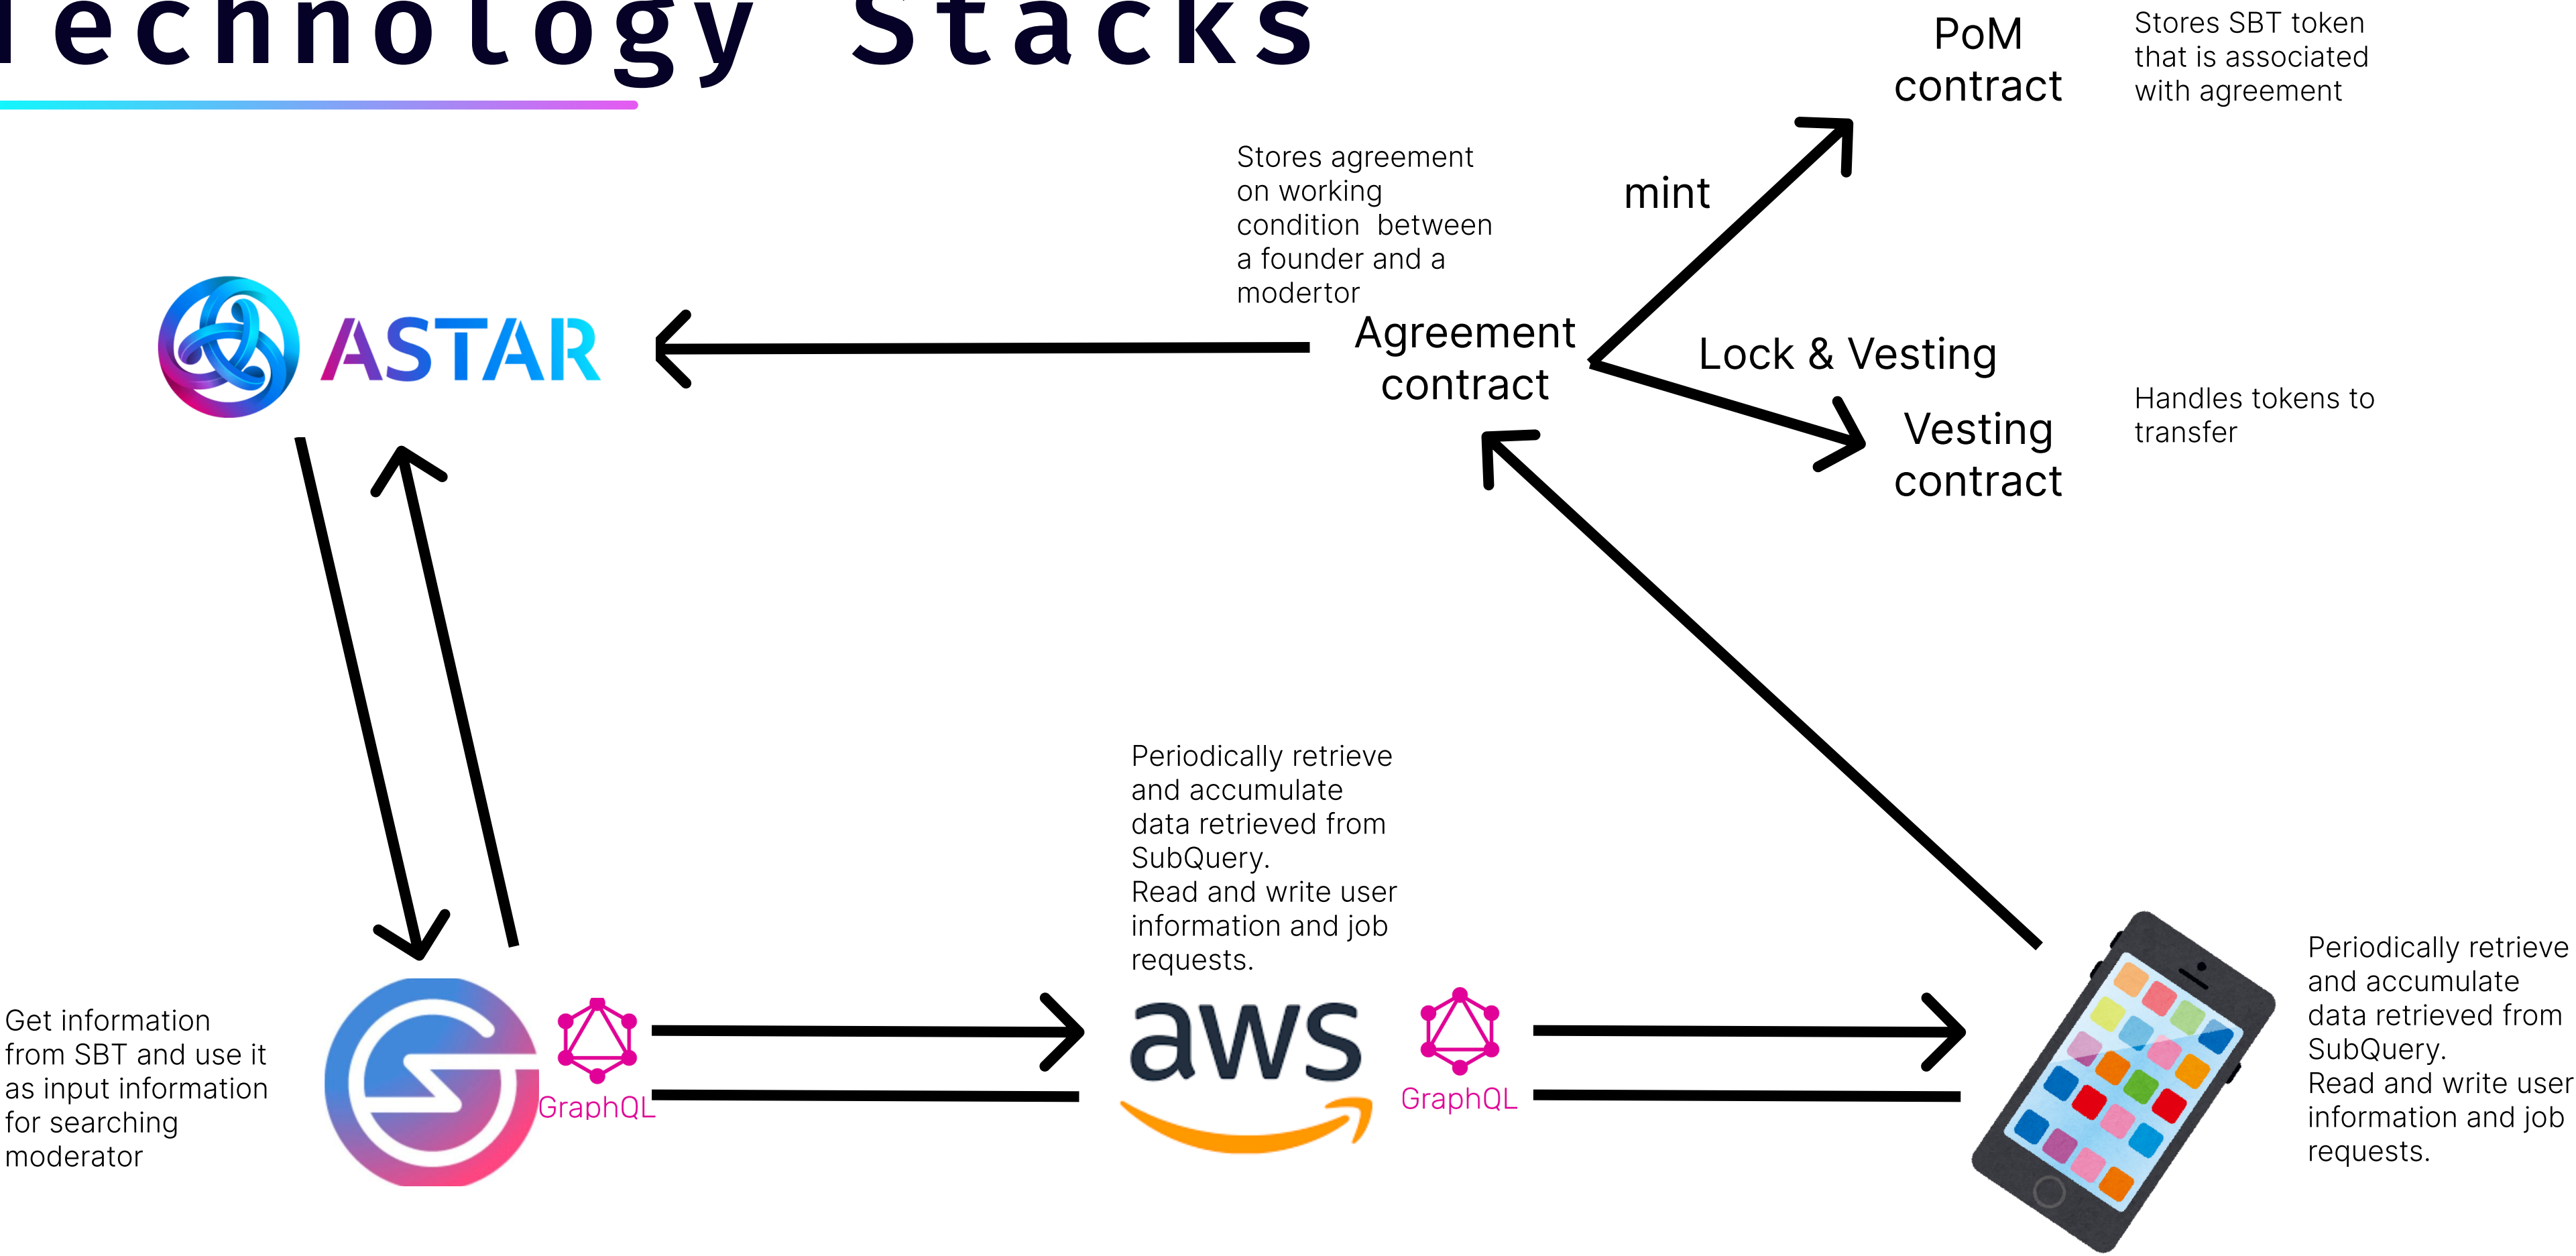

MOVER

HR Mobile dApp for hire/contract/pay
Community moderators
Easily only 3 cliks

MOVER is a global HR mobile tool which is useful for hiring multilingual speakers on metaverse world. It utilises **SBT** to visualise each other's achievements and competencies, overcoming native language barriers. Easily search for moderator's experience and complete hiring, settle contracts and pay them in just 3 clicks.
